IMPORTANT:

These are most accurate estimations for flight training according to PART-FCL minima requirements.

Prices include landing fees, ATC procedures and current fuel cost which may vary during the training.

NO DEPOSIT requested before starting the training.

Final price will be calculated according to real training, landing fees, ATC procedures and fuel cost.

€ prices list is calculated from Kč prices list using 1 € = 24,50 Kč
Exchange rate of the day will be used for each payment

CZECH VAT rate is 21%

NO 0% VAT law on professional training in the Czech Republic.
