### IMPORTANT:

These are most accurate estimations for recommended flight training according to PART-FCL requirements.

Prices include landing fees, ATC IFR procedures and current fuel cost which may vary during the training.

**NO DEPOSIT** requested before starting the training.

Final price will be calculated according to real training, landing fees, ATC IFR procedures and fuel cost.

€ prices list is calculated from Kč prices list using 1 € = 24,50 Kč  
**Exchange rate of the day will be used for each payment.**

**CZECH VAT rate is 21%**

NO 0% VAT law on professional training in the Czech Republic.

Fixed wings customers pay the flight hours from take-off to landing only: **no Block ON/OFF time or HOBBS time.**

**You will log more hours than you will pay.**
